

YOUR CLINIC APPOINTMENT

What to expect in your clinic visit with Kirsty

PRE APPOINTMENT

Pre-screen & consultation will take place prior to appointment by phone or video call. For new patients, evaluation & assessment will take place via video call.

This is to minimise face to face contact time but still offer a personal treatment.

CROSS INFECTION

The room is fully cleaned after each patient.

30 minutes is left inbetween bookings.

ALL linen is single-use for each individual.

I will be in PPE with clean work tunic on for each new person.

Couch is cleaned down as per guidelines after each visit.

WHAT I NEED FROM YOU...

If you are symptomatic please cancel your appointment.

Please do not arrive more than 5 minutes before appointment time, to avoid cross over with other people.

Please bring your own drink for post treatment.

If you are an NHS or front line worker please ensure you do not arrive in work clothes- please change before.

DURING TREATMENT

I will be following government guidelines re: treatment protocols & practice to minimise risk.

I will be in the required PPE

POST TREATMENT

.Payment to be made prior to treatment via Bacs or payment link , or post treatment via contactless.

Post treatment after care & appointment setting will be done via phone at later date.
